Men's Health Update

**Friday & Saturday
August 28 - 29, 2015**

University of Washington Campus
Foege Auditorium
Seattle, WA

Sponsored by the University of Washington School of Medicine
Department of Urology • Office of Continuing Medical Education

WHO SHOULD ATTEND

This course is designed for the practicing community of primary care providers and urologists who are seeking an update on important clinical topics in Men's Health. The course is also well suited for nurses, nurse practitioners, physician assistants, fellows and residents.

COURSE DESCRIPTION

With the aging of the American population and increases in access to affordable health care, primary care providers are increasingly caring for urologic disease. Men are disproportionately afflicted by urologic disease, and "Men's Health" is a growing medical arena where specialized knowledge is required. The diagnosis and management of many urologic diseases have been greatly influenced by recent pharmacological, surgical and technological advances. One of the greatest challenges providers face is staying abreast with the many dynamic changes in this field. An internationally acclaimed faculty has been assembled to provide this update, with presentations on topics such as prostate cancer, bladder cancer, hypogonadism and testosterone replacement, erectile dysfunction, voiding dysfunction and kidney stones. During the plenary sessions, the registrants will have the opportunity to participate in question and answer sessions. In addition, an emphasis on case presentations with faculty participation will enhance the practical value of the course.

ACCREDITATION

Accreditation with Commendation

The University of Washington School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation

The University of Washington School of Medicine designates this live activity for a maximum of 10.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Application for CME credits has been filed with the American Academy of Family Physicians. Determination of Credit is pending.

COURSE OBJECTIVES

Upon completion of this activity, attendees should be able to:

- Describe the appropriate evaluation of men suspected of having hypogonadism and discuss the risks and benefits of testosterone treatment
- Recognize the relationship between cardiovascular disease and erectile dysfunction and offer appropriate treatment options to men experiencing ED and other forms of sexual dysfunction
- Evaluate the quality of life issues men face after prostate cancer treatment and develop a paradigm for addressing common issues
- Compare the association between male infertility and disease and discuss the evidence-based evaluation of male infertility
- Discuss the role of PSA screening in men and describe additional tests now available for prostate cancer screening
- Describe the management options for men with localized prostate cancer, including active surveillance
- Explain the work-up for patients with microscopic hematuria and discuss the evaluation and management of incidental kidney and adrenal masses
- Discuss the latest approaches to treatment of patients with bladder cancer
- Recognize the key elements of a BPH evaluation and provide appropriate treatment options

FEES AND REGISTRATION

The fee for this course includes catering, all instruction materials and transcript of AMA PRA Category 1 Credits™. To ensure enrollment, please complete the enclosed registration

form and forward it with the appropriate tuition or register

online at uwcme.org. Allow up to fifteen working days to receive your email confirmation of enrollment. If you have not received confirmation prior to your departure for the course, please contact the Continuing Medical Education office at 206.543.1050. Continuing Medical Education will not be responsible for expenses incurred by an individual who is not confirmed and for whom space is not available at the course.

MD/DO/PhD	\$275.00
PA/ARNP/RN/Allied	\$225.00
Resident/Fellow	\$125.00

CONFERENCE SYLLABUS IS GOING GREEN

Syllabus materials will be available for download at uwcme.org (for conference registrants only). The password for the download website will be sent with your registration confirmation email. Materials will be available from **August 24 - September 29, 2015**, for registrants to print and/or download. A booklet with the conference agenda and pages for note-taking will be provided at the conference.

ATTENDANCE POLICY

Course activities are exclusively reserved for course attendees. Badges provided at registration are required for entrance into all functions and will be strictly enforced.

UWCME takes into consideration diverse nutritional preferences and restrictions when planning our complimentary menu. However, those individuals who might find that our menu is not completely aligned to their specific nutritional needs are welcome to bring their own food items.

CANCELLATION POLICY

The Office of Continuing Medical Education must receive written notification of your cancellation by August 18, 2015. A \$50.00 processing fee will be deducted from refund requests received by this date. No refunds will be issued following August 18, 2015. The Office of Continuing Medical Education reserves the right to cancel this course twenty (20) days prior to the course date when a minimum enrollment is not met or for other reasons that prevent the University from holding the course. Each registrant will be notified by telephone followed by written notification and a full refund. The University of Washington is not responsible for any other costs incurred such as non-refundable airline tickets or hotel penalties. Contact CME Registrar with questions - **call 206.543.1050, fax 206.221.4525 or email cme@uw.edu**.

SPECIAL SERVICES

Continuing Medical Education at the University of Washington is a totally self-sustaining unit and does not depend on or receive public monies in support of its educational efforts. Fees for this course are estimated to cover the costs of conducting this course. These costs include salaries, registration and credit, handouts, record keeping, faculty planning and evaluation and may include food, alcohol, taxes and gratuities to vendors. The University of Washington reaffirms its policy of equal opportunity regardless of race, color, creed, religion, national origin, sex, sexual orientation, age, marital status, disability or status as a disabled veteran or Vietnam era veteran in accordance with University policy and applicable federal and state statutes and regulations. The University of Washington is committed to providing access and reasonable accommodation in its services, programs, activities, education and employment for individuals with disabilities. To request disability accommodation in the application process contact the department at: 206.543.1050 or the Disability Services Office at least ten days in advance.
