TRAVEL MEDICINE & GLOBAL HEALTH

Friday - Sunday

July 15 - 17, 2016

Husky Union Building (HUB) - Ballroom

University of Washington Campus • Seattle, WA

Sponsored by UW School of Medicine
Department of Family Medicine
Office of Continuing Medical Education
UW School of Nursing, Continuing Nursing Education

TARGET AUDIENCE

For non-specialist medical providers, including physicians, nurse practitioners, physician assistants, registered nurses and other allied health professionals.

COURSE DESCRIPTION

This conference will provide an overview of travel medicine and global health and is targeted to non-specialist physicians and other health professionals with an interest in travel medicine and global health. Travel medicine topics will include immunizations, malaria prophylaxis, travelers' diarrhea, and other topics salient to caring for those who travel to low-income nations. Global health topics will include medical professionals volunteering overseas, and working in complex humanitarian emergencies. Information will be presented via plenary lectures and smaller audience break-out workshops. Attendees will have ample opportunities to follow presentations with questions.

FEES AND REGISTRATION

COURSE FEES	By 6/14	After 6/14
MD/DO/PhD	\$495.00	\$525.00
Allied Health	\$445.00	\$475.00
Resident/Fellow	\$300.00	\$330.00

The course fee includes catering, access to online instruction materials and transcript of *AMA PRA Category 1 Credits™*. To enroll, please complete the enclosed registration form and include payment or register online at uwcme.org. Allow up to 15 working days to receive your email confirmation of enrollment. If you have not received confirmation prior to your departure for the course, please contact the CME office at 206.543.1050. Continuing Medical Education will not be responsible for expenses incurred by an individual who is not confirmed if space is not available at the course.

COURSE OBJECTIVES

Upon completion of this activity, attendees should be able to:

- Prepare pre-travel patients for travel to low-income nations
- Review opportunities to volunteer for overseas medical service
- Recognize common threats to travelers to low-income nations

Keynote Presenter - Dr. Ian Crozier was working with the World Health Organization (WHO) at an Ebola Treatment Unit in Sierra Leone in August 2014 when he became infected himself with Ebola. He was emergently flown to the US and admitted to an isolation unit, where he was hospitalized for over a month. His experiences both as a physician caring for those with Ebola, and an Ebola patient himself, have given him a unique perspective.
