Husky Union Building, North Ballroom, 2nd Floor
4001 E. Stevens Way NE
Seattle, WA 98195

Sponsored by UW School of Medicine
Department of Family Medicine
Office of Continuing Medical Education

TARGET AUDIENCE

This course is designed for family medicine physicians, and other primary care providers including internists, pediatricians, osteopathic physicians, physician associate, nurse practitioners, naturopathic physicians and others interested in primary care.

COURSE DESCRIPTION

The 53rd Annual Advances in Family Medicine and Primary Care Conference will cover a wide range of disciplines, including family medicine, cardiology, endocrinology, dermatology, OB/GYN, neurology, pulmonology, ophthalmology, and more. Participants will gain new information and review essential knowledge to enhance their skills as primary care providers. The conference will feature evidence-based guidelines, hands-on learning sessions, interactive panel discussions, focused breakout sessions, keynote presentations, and networking opportunities. Join us to stay updated with the latest advancements and best practices in primary care.

COURSE OBJECTIVES

Upon completion of this activity, attendees should be able to:

- Apply new knowledge and skills from family medicine, cardiology, pulmonology, endocrinology, OB/GYN, and various other disciplines in clinical practice.
- Review evidence-based updates from recent studies and professional organizations.
- Learn new hands-on techniques related to dermatologic and musculoskeletal care.

Afternoon Breakout Schedule

We are excited to offer the Dermatology and Musculoskeletal Breakout sessions again this year, with the addition of two new breakouts, Acupuncture and IUD/EMB. Below is the agenda for the breakouts. Please note the recorded and in-person designations. Any part of the breakout that is listed as recorded will be recorded and offered during the extended viewing for CME credit, and any part listed in-person will be available only to our in-person learners. The Monday breakouts will be repeated on Wednesday, and the Tuesday breakouts will be repeated on Thursday. The Didactic sections of the Dermoscopy Primer and IUD/EMB will be recorded for extended viewing, there will not be a live component.

The Dermoscopy Primer, Shoulder & Foot/Ankle Exam, and Acupuncture breakouts will all have an attendee cap of 40 participants each offering. The IUD/EMB will have an attendee cap of 20 participants each offering.

If you do not participate in the breakouts, there will be presentations in the auditorium as well. Each presentation in the auditorium will have unique content which will only be presented one time. These presentations will be recorded for the extended viewing available for attendees to view the recordings and claim credit until **December 31, 2025**. Recordings will be available within 4 weeks after the live offering.
