

May 7, 2025 at 6:45 AM – 7:45 AM

Location: Other

Description: Orthopaedic Grand Rounds is an opportunity for UW Orthopaedic faculty and residents to present new information, review current practice (standards of care) and present innovative research to orthopaedic surgery faculty, fellows, residents, staff, and orthopaedic surgeons in the local community. A few non-technical orthopaedic topics are required by the ACGME (e.g. professionalism) and orthopaedic topics are based on orthopaedic research, faculty experience and literature reviews. All topics are chosen to be directly applicable to the practice of orthopaedic surgery. In general each presentation consists of background/evolution of treatment, scientific basis, technical principles, clinical cases with current treatment methods and “pearls”, conclusion and discussion. We offer lecturers the ability to employ interactive questions and surveys during the presentation. So this is an interactive and collaborative educational process with practice-based clinical cases.

Accreditation Statement:

Accreditation with Commendation: The University of Washington School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation:

The University of Washington School of Medicine designates this Live Activity for a maximum of 1.00 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Other Healthcare Professionals

Other healthcare professionals who participate in this CE activity may submit their statement of participation to their appropriate accrediting organizations or state boards for consideration of credit. The participant is responsible for determining whether this activity meets the requirements for acceptable continuing education.

Faculty

Paul Pottinger, MD

Professor, Division of Allergy & Infectious Diseases | Director, Infectious Disease Training Program
