

June 24, 2026 at 7:00 AM – 8:00 AM

Location: Hybrid

Description:

Neurological Surgery Grand Rounds consists of weekly Wednesday lectures and presentations from 7am-8am on a range of clinical topics concerning the nervous system. • Multiple monthly speakers from the UW are invited to give one-hour presentations on relevant clinical or basic scientific subjects dealing with anatomical, physiological, molecular or behavioral aspects of the nervous system. • Multiple one-hour neuropathology conferences are presented during the year. These are clinical presentation/diagnostic workshops that include relevant preoperative imaging findings, operative procedures and findings. • Multiple one-hour neurospine based conferences are presented during the year. These are clinical presentation/diagnostic workshops that include relevant preoperative imaging findings, operative procedures and findings. • Multiple times per year, multiple faculty present updates on research they have been working on in their labs. • Multiple times per year, sub-internship medical students present research they have been working on during their medical school education. • Annually, residents present research they have been working on during their residency during 3 subsequent Grand Rounds sessions. • Annually, fellows present research they have been working on during their fellowship year. • At least once a year per year, Dr. Nathaniel Watson is invited to speak about sleep health and fatigue mitigation directed especially to our trainees in addition to our faculty. * At least once a year a speaker is invited to speak about wellness directed to our trainees in addition to faculty. • Once per month, a morbidity and mortality analysis and presentation is scheduled and is only open to members of the Neurological Surgery. • Multiple times per year, renowned Visiting Professors from other academic institutions are invited to educate us on an important and timely neuroscience subjects that we deem essential for the well-educated and up-to-date neurological surgeon.

Accreditation Statement:

Accreditation with Commendation: The University of Washington School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation:

The University of Washington School of Medicine designates this Live Activity for a maximum of 1.00 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Other Healthcare Professionals

Other healthcare professionals who participate in this CE activity may submit their statement of participation to their appropriate accrediting organizations or state boards for consideration of credit. The participant is responsible for determining whether this activity meets the requirements for acceptable continuing education.

Disclosure of Financial Relationships:

University of Washington School of Medicine adheres to the ACCME's Standards for Integrity and Independence in Accredited Continuing Education. Any individuals in a position to control the content of an accredited activity, including faculty, planners, reviewers or others in control of content are required to disclose all relevant financial relationships with ineligible companies (commercial interests). All relevant conflicts of interest have been mitigated prior to the start of the activity.
