

February 11, 2026 at 12:00 PM – 1:00 PM

Location: Hybrid

Description:

Participants will discuss research and advances in the neurosciences. Neurology Grand Rounds include clinical case presentations by Neurology residents, didactic and advanced lectures by faculty in Neurology and in other School of Medicine departments, as well as special presentations by invited speakers from peer institutions. Lectures are focused on topics relevant to the practice of neurology, for an audience of clinical providers, clinical researchers, trainees and students in the neurological/neuroscience fields. Topics include clinical research and scientific discovery, case presentations of medical management of neurological conditions, and physician wellness and history of the science. Neurology Grand Rounds occur every Thursday at the University of Washington (UW) Medical Center in Seattle, WA or via Zoom. The Neurology Lecture Series occurs weekly, on Wednesdays, and includes presentations on general neurology topics, focusing on cerebrovascular disease (i.e., stroke), movement disorders, neuromuscular diseases. The lecturers typically review the current literature on topics and provide evidence-based diagnostic or treatment recommendations. The goal is to provide extensive and practical neurology training and review for physicians within the UW, as well as for clinicians and providers viewing remotely.

Accreditation Statement:

Accreditation with Commendation: The University of Washington School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation:

The University of Washington School of Medicine designates this Live Activity for a maximum of 1.00 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Other Healthcare Professionals

Other healthcare professionals who participate in this CE activity may submit their statement of participation to their appropriate accrediting organizations or state boards for consideration of credit. The participant is responsible for determining whether this activity meets the requirements for acceptable continuing education.

Disclosure of Financial Relationships:

University of Washington School of Medicine adheres to the ACCME's Standards for Integrity and Independence in Accredited Continuing Education. Any individuals in a position to control the content of an accredited activity, including faculty, planners, reviewers or others in control of content are required to disclose all relevant financial relationships with ineligible companies (commercial interests). All relevant conflicts of interest have been mitigated prior to the start of the activity.
