**Location:** Hybrid

**Description:** Dermatology Grand Rounds provides a forum for the discussion and presentation of clinical practice recommendations, emerging research, and collaboration with prominent experts in dermatology and related fields. This is an ongoing program to update and educate Division faculty, residents, rotating medical students, and community Dermatologists by: 1. In-depth presentations on a topic in clinical or investigative dermatology 2. Patient presentations/discussion which serve both an educational function through discussion of interesting or problematic cases, and to facilitate exchange of ideas regarding patient care. Dermatology Grand Rounds meets the ACGME-required components to resident training of faculty-trainee sessions in small groups and participation of teaching faculty in clinical discussions in a manner that promotes a spirit of inquiry and scholarship.
