

August 10, 2026 at 12:00 PM – 1:00 PM

Location: School of Medicine

Description:

PGR sessions serve as a platform for the presentation and discussion of topics relevant to the clinical practice of pathology, and may encompass a wide range of areas, including, but not limited to: • Introduction of new and emerging testing/diagnostic modalities and platforms (including digital pathology and artificial intelligence applications). • Advancements in diagnostic techniques and practice trends (including molecular pathology). • Translational research initiatives bridging laboratory discoveries to clinical applications. • Emerging topics related to Pathology training, wellness, and education. • Promotion of Diversity, Equity, and Inclusion (DEI) efforts in clinical practice and patient care. • Topics related to patient/practice advocacy, compliance, quality assurance, and patient safety. • Leadership development, professionalism, and ethical considerations in pathology practice.

Accreditation Statement:

Accreditation with Commendation: The University of Washington School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation:

The University of Washington School of Medicine designates this Live Activity for a maximum of 1.00 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Other Healthcare Professionals

Other healthcare professionals who participate in this CE activity may submit their statement of participation to their appropriate accrediting organizations or state boards for consideration of credit. The participant is responsible for determining whether this activity meets the requirements for acceptable continuing education.

Disclosure of Financial Relationships:

University of Washington School of Medicine adheres to the ACCME's Standards for Integrity and Independence in Accredited Continuing Education. Any individuals in a position to control the content of an accredited activity, including faculty, planners, reviewers or others in control of content are required to disclose all relevant financial relationships with ineligible companies (commercial interests). All relevant conflicts of interest have been mitigated prior to the start of the activity.
