

May 15, 2026 at 7:30 AM – 8:30 AM

Location: UWMC- Montlake

Description:

Cardiovascular medicine subspecialists generally seek to concentrate their ongoing education to updates within their own subspecialty. Patients with cardiac disease may "overlap" among cardiac subspecialties, making it useful for all cardiologists, cardiothoracic surgeons and cardiac anesthesiologists to participate in broad-based cardiovascular medicine update- such as those recent advances, thereby helping to bridge the gaps in knowledge between the various cardiovascular subspecialties.

Accreditation Statement:

Accreditation with Commendation: The University of Washington School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation:

The University of Washington School of Medicine designates this Live Activity for a maximum of 1.00 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Other Healthcare Professionals

Other healthcare professionals who participate in this CE activity may submit their statement of participation to their appropriate accrediting organizations or state boards for consideration of credit. The participant is responsible for determining whether this activity meets the requirements for acceptable continuing education.

Disclosure of Financial Relationships:

University of Washington School of Medicine adheres to the ACCME's Standards for Integrity and Independence in Accredited Continuing Education. Any individuals in a position to control the content of an accredited activity, including faculty, planners, reviewers or others in control of content are required to disclose all relevant financial relationships with ineligible companies (commercial interests). All relevant conflicts of interest have been mitigated prior to the start of the activity. None of the planners or peer reviewers have any relevant financial relationships to disclose.
