

November 20, 2026 at 11:00 AM – 12:00 PM

Location: Virtual webinars with speakers and series facilitators based at different locations in WA and beyond. Audience is located across the US.

Description:

TeleBehavioral Health Training 2026 is a monthly webinar series that addresses knowledge and competency gaps related to the delivery of high quality professional tele-, virtual, and digital behavioral health care services, including best practices, patient engagement, varied populations and treatment modalities, emerging technologies, and related policy. This will take place January through December 2026, at 11am - 12pm Pacific Time on the 3rd Friday of the month. The webinars are comprised of a ~40-minute presentation followed by an interactive Q&A session with participants.
