Agenda

Course description

This four-day program will cover data supporting guidelines, recommendations and recent advances regarding therapeutic options for patients with solid tumors and hematologic disorders. At the end of the course, physicians will leave with a comprehensive e-syllabus, a self-assessment and a deeper understanding of the pathogenesis, diagnostic evaluation and therapeutic modalities available for a breadth of solid tumors as well as hematologic disorders. There will be a case-based review session and discussions.

Objectives

Upon completion of this activity, attendees should be able to:

- Describe the pathogenesis, diagnostic evaluation and therapeutic modalities available for common malignant hematological diseases.
- Describe the pathogenesis, diagnostic evaluation and therapeutic modalities available for common solid tumor malignancies.
- Integrate guideline-based treatments into clinical practice while personalizing care appropriately for the patient.
- Integrate new therapeutic and diagnostic approaches into clinical practice as appropriate.

Intended audience

The target audience for this activity will be physicians and allied health professionals with a hematology/oncology focus who desire a review and update in current standards of care for patients. The course will be helpful to those preparing for certification or re-certification.

Conference venue and lodging

Sheraton Grand Seattle

1400 6th Ave, Seattle, WA 98101

The course has contracted a special conference rate of \$249-289 per night plus applicable taxes at the Sheraton Grand Seattle. Rooms at this rate will be held on the room block until August 26, 2019, at 5:00 pm local time. After that date and time, rooms will be available based off availability. To reserve your room online, please visit this reservations page. If you call to make your reservation, please call (888) 627-7056 and reference the block code "UW Continuing Medical Education."

Sheraton Grand Seattle offers onsite selfparking at seasonal rates and there are multiple alternative garages in the area around the hotel.

CME credit designation statement

The University of Washington School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Washington School of Medicine designates this live activity for a maximum of 34 AMA PRA Category 1 Credits.™ Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Maintenance of Certification (MOC) credits

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 34 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Additional course information

For information about online conference materials, the attendance policy, cancellation policy and special services, please visit the conference website at **www.SeattleCCA.org/cme**.
