Sunday - Wednesday

August 14-17, 2016

Grand Hyatt Seattle • 721 Pine Street • Seattle, WA

Sponsored by UW School of Medicine  
Harborview Medical Center Department of Radiology  
Office of Continuing Medical Education

## WHO SHOULD ATTEND

Radiologists (residents, fellows and practicing radiologists) and imaging technologists. Other practitioners, such as physician assistants, nurse practitioners and MDs working in emergency departments, may also find the imaging approach and interpretation to be useful.

## COURSE DESCRIPTION

Emergency Radiology 2016 will provide comprehensive presentations and interactive discussions covering the broad range of emergency imaging, including epidemiology and mechanisms of trauma, clinicians' expectations of imaging and an integrated imaging approach to injuries of the head, neck, spine, torso, pelvis and appendicular skeleton.

## ACCREDITATION

### Accreditation with Commendation

The University of Washington School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

### Credit Designation

The University of Washington School of Medicine designates this live activity for a maximum of 20.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

## COURSE OBJECTIVES

Upon completion of this activity, attendees should be able to:

- Rapidly determine the appropriate imaging studies to perform
- Identify less common clinical conditions that present in the emergency setting
- Update imaging protocols to optimize diagnostic accuracy while minimizing radiation
- Accurately interpret emergency imaging studies, and recognize when additional imaging is indicated.
