CURRENT CONCEPTS IN DRUG THERAPY

Thursday & Friday
March 2 & 3, 2017
University of Washington Campus
Husky Union Building (HUB) Ballroom
Seattle, WA

Sponsored by UW School of Medicine
Department of General Internal Medicine
Office of Continuing Medical Education
TARGET AUDIENCE
This course is designed for primary care providers including general internists, family practitioners, and allied health professionals.

COURSE DESCRIPTION
As primary care providers we are constantly encountering a dizzying array of medication options and patient questions regarding advertised medications. We are responsible for managing complex medication regimens including treatments we may not be intimately familiar with. In addition, safety concerns and new indications for old medications arise regularly. In order to help primary care providers keep up to date on these issues we have organized this CME course on Current Concepts in Drug Therapy. Through the use of a case-based format the speakers will highlight innovations in drug therapies, review new indications for old medications and discuss medication side effects and drug interactions. Individual presentations will be followed by panel discussions during which participants will be able to ask questions.

COURSE OBJECTIVES
Upon completion of this activity, attendees should be able to:

• Evaluate the risks and benefits of new outpatient drug therapies.
• Discuss new developments in the drug treatment of selected outpatient clinical conditions.
• Make more informed drug treatment decisions in the outpatient setting.

ACCREDITATION
Accreditation with Commendation
The University of Washington School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation
The University of Washington School of Medicine designates this live activity for a maximum of 13.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

FEES AND REGISTRATION

ONLINE CONFERENCE MATERIALS

Syllabus material will be available online at uwcme.org (for conference registrants only) starting on February 23, 2017. Registrants may print and/or download the materials. A handout with the agenda and pages for note-taking will be provided at the conference (printed handouts of presentations will not be provided).

ATTENDANCE POLICY

Course activities are exclusively reserved for course attendees. Badges provided at registration are required for entrance into all functions and will be strictly enforced.

In consideration of other participants and speakers, please do not bring infants/children into conference sessions.

CANCELLATION POLICY

The Office of Continuing Medical Education must receive written notification of your cancellation by February 16, 2017. A $75.00 processing fee will be deducted from refund requests received by this date. No refunds will be issued following February 16, 2017. The Office of Continuing Medical Education reserves the right to cancel this course twenty days prior to the course date when a minimum enrollment is not met or for other reasons that prevent the University from holding the course. Each registrant will be notified by telephone followed by written notification and a full refund. The University of Washington is not responsible for any other costs incurred such as non-refundable airline tickets or hotel penalties. Contact the CME Office with questions: call 206.543.1050, fax 206.221.4525 or email cme@uw.edu.

SPECIAL SERVICES

Please inform the CME Office ten days in advance of the conference start date if you will need to utilize lactation services.

UW CME takes into consideration diverse nutritional preferences and restrictions when planning our complimentary menu. However, those individuals who might find that our menu is not completely aligned to their specific nutritional needs are welcome to bring their own food items.

The University of Washington reaffirms its policy of equal opportunity regardless of race, color, creed, religion, national origin, sex, sexual orientation, age, marital status, disability, or status as a disabled veteran or Vietnam era veteran in accordance with University policy and applicable federal and state statutes and regulations. The University of Washington is committed to providing access and reasonable accommodation in its services, programs, activities, education and employment for individuals with disabilities. To request disability accommodation please contact the CME Office at: 206.543.1050 or the Disability Services Office at least ten days in advance.
