Office of Continuing Medical Education

Opioid Prescribing 2019:

How Washington State Bill 1427 Will Affect Your Practice

COURSE DESCRIPTION

Washington State Bill 1427 new opioid prescribing rules will affect clinicians and health-systems where scope of practice includes prescription of opioids. Lecture and Q&A presentations will outline the context, structure, alignment with existing guidelines and rules, using case-based format. Panel discussion and audience Q&A with Commissioners from the state's Medical, Osteopathic, Nursing, Podiatric, and Dental Boards will follow. Specific assessment of individualized opioid risks and use of the state's Prescription Drug Monitoring Program will be presented in case-based formats. Communication and treatment planning for patients already on prescribed opioids that are transferring to new providers will also be presented with consultation requirements and how to access specialists for high-risk patients reviewed. Case-based panel discussion with opportunity to ask questions on the practical application of the rules will conclude the conference.

COURSE OBJECTIVES

Upon completion of this activity, attendees should be able to:

- Differentiate between opioid prescribing best-practices and opioid prescribing rules.
- Delineate differences and similarities between previous Washington State opioid prescribing guidelines and rules, CDC guidelines, and current Washington State opioid rules.
- Outline necessary practice changes described in the 2019 Washington State Opioid Prescribing for Pain rules.
- Describe how to consistently apply 2019 Washington State Opioid Prescribing for Pain rules to your specific clinical practice and setting.

ACCREDITATION

Accreditation with Commendation

The University of Washington School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation

The University of Washington School of Medicine designates this live activity for a maximum of 6.75 AMA PRA Category 1

Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

REGISTRATION

This course is only open to Washington State providers and prescribers. There is no registration fee, and two types of attendance are available: in-person, and live streaming via webcast. Pre-registration is required for all registration types. **Please visit uwcmce.org or call 206-543-1050 to register.**

CANCELLATION POLICY

If you register to attend in-person and are unable to attend, the Office of Continuing Medical Education must receive written notification of your cancellation by **April 4, 2019**. A \$50.00 cancellation fee will be invoiced for cancellation requests received after this date.
