Friday-Saturday
August 23-24, 2019

Orin Smith Auditorium
UW Medicine, South Lake Union
850 Republican Street | Seattle, WA 98109

Sponsored by UW School of Medicine
Department of Urology
Office of Continuing Medical Education
TARGET AUDIENCE
This course is designed for the practicing community of primary care providers and urologists who are seeking an update on important clinical topics in men’s health. The course is also well-suited for nurses, nurse practitioners, physician assistants, fellows and residents.

COURSE DESCRIPTION
With the evolution of American healthcare and the reorganization of many regional healthcare systems, there are ever-increasing demands for healthcare access. As a result, primary care providers are increasingly caring for broader spectrum of disease, including urologic disease. Men are disproportionately afflicted by urologic disease, and “Men’s Health” is an established medical arena where specialized knowledge is required. The diagnosis and management of Men’s Health diseases are continually evolving and are heavily influenced by advances in diagnostic technology, medications, and surgical devices. The greatest challenge that care providers face is staying up-to-date with the changes in this field, thereby assuring state-of-the-art care for their patients.

An internationally acclaimed faculty has been assembled to provide this update, with presentations on topics such as prostate screening and treatment, testosterone deficiency and the controversy of testosterone replacement, male urinary dysfunction, kidney and bladder pathology, sexual dysfunction, male infertility and the changing influence of marijuana, and genital pain syndromes. During the plenary sessions, attendees will have the opportunity to participate in case discussions and question-and-answer sessions.

COURSE OBJECTIVES
Upon completion of this activity, attendees should be able to:
• Discuss the role of PSA screening in men and describe additional tests now available for prostate cancer screening.
• Describe the management options for men with localized prostate cancer, including active surveillance.
• Review quality-of-life issues men face after prostate cancer treatment and develop a paradigm for addressing common issues.
• Describe the evaluation of men with microscopic and gross hematuria.
• Identify the appropriate evaluation of men suspected of having hypogonadism and discuss the risks and benefits of testosterone treatment.
• Compare the relationship between cardiovascular disease and erectile dysfunction.
• Offer appropriate treatment options to men experiencing ED and other forms of sexual dysfunction.
• Examine the association between male infertility and disease.
• Discuss the evidence-based evaluation of male infertility.
• List the key elements of a BPH evaluation and provide appropriate treatment options.
• Describe the appropriate evaluation of men with scrotal content pain and review the evidence-based initial treatment approach.
• Recognize the role of non-narcotic pain management in patients with chronic pelvic and genital pain.

ACCREDITATION
Accreditation with Commendation
The University of Washington School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation
The University of Washington School of Medicine designates this live activity for a maximum of 11.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
FEES AND REGISTRATION

To enroll, please register online at uwcmem.org or complete the registration form. If you have not received confirmation prior to your departure for the course, please contact the CME office at 206.543.1050. Continuing Medical Education will not be responsible for expenses incurred by an individual who is not confirmed if space is not available at the course.

Continuing Medical Education at the University of Washington is a self-sustaining unit and does not depend on or receive public monies in support of its educational efforts. Fees for this course are estimated to cover the costs of conducting this course. These costs include salaries, registration and credit, instructional materials, record keeping, faculty planning and evaluation and may include food, beverages, taxes and gratuities to vendors.

CONFERENCE MATERIALS

Educational materials will be available online at uwcmem.org (for conference registrants only). Materials will be available beginning on August 19, 2019 for registrants to print and/or download. A booklet with the conference agenda and pages for note-taking will be provided at the conference.

ATTENDANCE POLICY

Course activities are exclusively reserved for registered attendees. Badges provided at registration are required for entrance into all functions and this requirement will be strictly enforced.

For the optimum learning experience of all, infants and children are not permitted in the education space for the duration of the program. All CME events support parents and nursing mothers by providing access to lactation spaces. Please send an email to cme@uw.edu by August 9 if you will need to utilize lactation spaces.

CANCELLATION POLICY

The Office of Continuing Medical Education must receive written notification of your cancellation by August 9, 2019. A $75.00 processing fee will be deducted from refund requests received by this date. No refunds will be issued following August 9, 2019. The Office of Continuing Medical Education reserves the right to cancel this course twenty (20) days prior to the course date when a minimum enrollment is not met for other reasons that prevent the University from holding the course. Each registrant will be notified by telephone followed by written notification and a full refund. The University of Washington is not responsible for any other costs. Contact CME Office with questions — call 206.543.1050 or email cme@uw.edu.

SPECIAL SERVICES

The University of Washington is committed to providing access and reasonable accommodation in its services, programs, activities, education and employment for individuals with disabilities. To request disability accommodation, contact the Disability Services Office at least ten days in advance: 206.543.6450/voice • 206.543.6452/TTY • 206.685.7264/fax • email: dso@uw.edu

HOTEL ACCOMMODATIONS

The following hotels are located near the conference site. To make reservations, please call the hotels directly. No room block has been reserved.
