UPDATES IN HOSPITAL MEDICINE

Tuesday-Thursday
June 8-10, 2021

Live Webinar

Sponsored by the University of Washington School of Medicine
Department of Medicine, Division of General Internal Medicine
Office of Continuing Medical Education

TARGET AUDIENCE

For physicians, ARNPs, and PAs who take care of hospitalized general medicine patients. Subspecialty healthcare providers who work in inpatient settings (e.g., cardiology hospital medicine or intensivists) may also find the program to be a good update in general medicine inpatient care.

COURSE DESCRIPTION

The purpose of the course is to update the skills of inpatient providers with a focus on common problems in clinical care. The format consists of brief, directed presentations followed with the opportunity to ask questions. This format guarantees question-and-answer interaction time between faculty and attendees.

COURSE OBJECTIVES

Upon completion of this activity, attendees should be able to:

- Determine appropriate inpatient management of patients with heart failure, critically ill patients, patients with SARS COVID-19 infection, advanced liver disease or cirrhosis, and sepsis.
- Identify and manage hematologic and oncologic emergencies.
- Review and apply principles of palliative care symptom management in hospitalized patients.
- Identify and apply strategies aimed at decreasing stress and improving physician wellness during the pandemic.

ONLINE MATERIALS

Instruction materials will be available online at uwcme.org (for conference registrants only). Materials will be available beginning on **June 2, 2021**, for registrants to print and/or download. Content will be recorded and available to attendees for educational purposes. Attendees will be notified when recordings are available, approximately 4-6 weeks after course completion. CME credit is available only for attending the live webinar; no credit is available for watching the recorded lectures.

ACCREDITATION

Accreditation with Commendation

The University of Washington School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation

The University of Washington School of Medicine designates this live activity for a maximum of 14.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

FEES AND REGISTRATION

COURSE FEES	
All Learners	\$350
*Resident/Fellow/Student	\$200

**Resident/Fellow/Student rate requires written confirmation of current status. Failure to provide required documentation may result in an additional balance owed.*

Continuing Medical Education at the University of Washington is a self-sustaining unit and does not depend on or receive public monies in support of its educational efforts. The course fees are estimated to cover transcript of AMA PRA Category 1 Credits™, access to online instruction materials, course logistics, faculty planning and salaries.

If you have not received confirmation prior to the course start, please contact the CME office at cme@uw.edu. Continuing Medical Education will not be responsible for expenses incurred by an individual who is not confirmed.

REFUND & CANCELLATION POLICY

The Office of Continuing Medical Education must receive written notification of your cancellation by **May 25, 2021**. A \$75.00 processing fee will be deducted from refund requests received by this date. No refunds will be issued following **May 25, 2021**. The Office of Continuing Medical Education reserves the right to cancel this course twenty (20) days prior to the course date when a minimum enrollment is not met or for other reasons that prevent the University from holding the course. Each registrant will be notified by written notification and receive a full refund. The University of Washington is not responsible for any other costs incurred. Contact the CME Office with questions: email cme@uw.edu.

Prior to the start, please ensure you have the appropriate system requirements to view the webinar. More information about the recommended technical requirements is online at uwcme.org. No refunds will be available for technical issues not controlled by UW CME.

SPECIAL SERVICES

The University of Washington reaffirms its policy of equal opportunity regardless of race, color, creed, religion, national origin, sex, sexual orientation, age, marital status, disability, or status as a disabled veteran or Vietnam era veteran in accordance with University policy and applicable federal and state statutes and regulations. The University of Washington is committed to providing access and reasonable accommodation in its services, programs, activities, education and employment for individuals with disabilities. To request disability accommodation please contact the Disability Services Office at least ten (10) days in advance.
