21st Annual

CLINICAL CARDIOLOGY PEARLS FOR PRIMARY CARE

Friday, April 29, 2022

Online via Live Webinar

Sponsored by UW School of Medicine
Department of Medicine, Division of Cardiology
Office of Continuing Medical Education

For primary care providers – including family medicine physicians, internists, nurse practitioners, physician assistants, nurses, and others with an interest in heart disease.

COURSE DESCRIPTION

This course is tailored for a primary care audience and is intended to provide practical, up-to-date information on commonly encountered cardiovascular diseases. World-class faculty from the University of Washington School of Medicine will teach participants using case-based lectures to Zoom polling to encourage interactive dialogue. Recent guidelines for hypertension, cholesterol management, and diabetes will be reviewed. Everyday primary care topics including diagnosis and treatment of coronary artery disease, congestive heart failure, valvular heart disease and supraventricular arrhythmias, including atrial fibrillation, will be covered. Practical issues regarding use of new anticoagulants and appropriateness of cardiac testing will be discussed.

COURSE FEES	
All Learners	\$200.00
*Resident/Fellow/Student	\$125.00
<i>*Resident/Fellow/Student rate requires written confirmation of current status. Failure to provide required documentation may result in an additional balance owed.</i>	

Continuing Medical Education at the University of Washington is a self-sustaining unit and does not depend on or receive public monies in support of its educational efforts. The course fees are estimated to cover transcript of AMA PRA Category 1 Credits™, access to online instruction materials, course logistics, faculty planning and salaries.

If you have not received confirmation prior to the course start, please contact the CME office at cme@uw.edu. Continuing Medical Education will not be responsible for expenses incurred by an individual who is not confirmed.

ACCREDITATION

Accreditation with Commendation

The University of Washington School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation

The University of Washington School of Medicine designates this live activity for a maximum of 7.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

COURSE OBJECTIVES

Upon completion of this activity, attendees should be able to:

- Treat and manage high blood pressure based on updated clinical guidelines.
- Apply cholesterol guidelines and latest clinical trial data of novel cholesterol treatments to the management of patients with cardiac risk factors and atherosclerotic vascular disease.
- Evaluate patients with chest pain and order the appropriate stress and imaging tests for your patients based on current guidelines.
- Evaluate and manage patients with valvular heart disease; identify which heart murmur patients should be referred for an echocardiogram and when patients should be referred for valve repair or replacement.
- Diagnose and treat patients with palpitations, and understand the appropriate use of heart rhythm monitors and when to refer patients to cardiology.

CANCELLATION AND REFUND POLICY

The Office of Continuing Medical Education must receive written notification of your cancellation by **April 15, 2022**. A \$75.00 processing fee will be deducted from refund requests received by this date. No refunds will be issued following **April 15, 2022**.

The Office of Continuing Medical Education reserves the right to cancel this course twenty (20) days prior to the course date when a minimum enrollment is not met or for other reasons that prevent the University from holding the course. Each registrant will be notified by written notification and receive a full refund. The University of Washington is not responsible for any other costs incurred. Contact the CME Office with questions via email: cme@uw.edu.

ONLINE CONFERENCE MATERIALS

Instruction materials will be available online at uwcme.org (for conference registrants only) beginning **April 22, 2022**. Content will be recorded and available to attendees for educational purposes. Attendees will be notified when recordings are available, approximately 4-6 weeks after course completion. CME credit is available only for attending the live webinar; no credit is available for watching the recorded lectures.

SYSTEM REQUIREMENTS

Prior to the start, please ensure you have the appropriate system requirements to participate in the webinar. More information about the recommended technical requirements is below and can be found on our website at www.uwcme.org. No refunds will be available for technical issues not controlled by UW CME. Reliable internet access is necessary. It is strongly recommended that you test your Zoom connection prior to this activity.

Minimum browser requirements for successful access and completion of this activity are as follows:

- Chrome version 70.0 or newer, or Firefox version 63.0 or newer.
- Internet Explorer and Safari **are not recommended** with the UW CME website.
- **You may use any browser to view the Zoom webinar.**

SPECIAL SERVICES

The University of Washington reaffirms its policy of equal opportunity regardless of race, color, creed, religion, national origin, sex, sexual orientation, age, marital status, disability, or status as a disabled veteran or Vietnam era veteran in accordance with University policy and applicable federal and state statutes and regulations. The University of Washington is committed to providing access and reasonable accommodation in its services, programs, activities, education and employment for individuals with disabilities. To request disability accommodation, please contact the Disability Services Office at least ten (10) days prior to the start of the conference.

Conference Schedule and Faculty Speakers

Friday, April 29, 2022

- 8:00 Welcome and Introduction
Alec Moorman, MD, FACC
- 8:10 Primary Prevention Pearls
Alec Moorman, MD, FACC
- 9:00 Evaluation of Murmurs and Valvular Heart Disease
Ruchi Kapoor, MD, PhD
- 9:50 **Break**
- 10:10 Evaluation of Patients with Chest Pain
Marta Alhama-Belotto, MD
- 11:00 Contemporary Cholesterol Management
Savitha Subramanian, MD
- 11:50 **Lunch break**
- 12:30 Evaluation and Management of Palpitations
Akash Kataruka, MD
- 1:20 Hypertension Updates and Challenging Cases
Eugene Yang, MD, MS, FACC
- 2:10 **Break**
- 2:30 Atrial Fibrillation Essentials for Primary Care
Neal Chatterjee, MD, MSc
- 3:20 Modern Therapies for Heart Failure
Parvathi Mudigonda, MD
- 4:10 Course Review Questions
Course Co-Chairs
- 4:30 **Adjourn**

20-Minute Question & Answer Sessions Follow Each Presentation

Schedule and faculty are subject to change
